When you'll arrive to Bon Tajer Farmhouse, you will be welcomed and shephered to your exclusive room, built in stone, wood and iron, following the elder tradition of the Dolomites.

During the afternoon you'll be free to visit the farm, and to walk around watching the superb panorama over the UNESCO Dolomites and the Belluno Valley.

Around 8.00pm we'll serve our welcome dinner with a gastronomical and cultural journey introducing you to the beauties of the Dolomites, the pre-Alps mountains and the whole Belluno Valley.

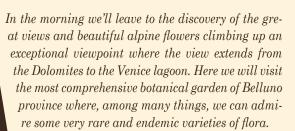

After a hearty breakfast we'll discover the St. Martin Valley, nestled among the peaks of the Dolomites National Park, going up one of the most pristine creek in Valbelluna, with its waterfalls. We will also visit the magical forest of Pian dei Violini.

After lunch we'll go to Mis Valley where we'll admire the Cadini of Brenton water bowls and the Soffia waterfall: two natural jewels result of the slow and relentless work of the water that chiseled tough Dolomite rocks over the millennia, creating unique and spectacular environments.

After a local dishes lunch in a typical mountain restaurant we'll visit the Ardo Valley; with a short hike we'll enter in one of the most fascinating and spectacular fossil gorges of the province. The magical atmosphere of this place will project us into the world of legends.

GIORNO

A mountain-bike tour through traditional campaigns of Valbelluna (Belluno Valley).

A minibus will bring us to town of Limana, where we'll start our journey riding our bicycles to discover the natural beauty of the countryside.

Along the way we'll visit Mintha Farm, where the aromatic and medicinal herbs are grown with organic farming. We'll have lunch at Bruschetteria "El Mighelon".

Bike rent & transport by RAL Bike

After breakfast we will make an excursion on the most flowery lookout in Valbelluna. An easy walk through expanses of crocuses, gentians and orchids will take us on the summit of Mount Avena; from here the view sweep over the whole basin of Valbelluna, dominated by the peaks of the Dolomites National Park and the Alpine foothills.

We'll have lunch at the brewery of Pedavena, the largest in Italy. In the afternoon we'll visit the factory of Pedavena brewery, historic facility with over 100 years of activity. After the visit we'll taste the many types of beer produced using traditional methods.

It's your last breackfast at Bon Tajer. You should checkout before 10.00 am and leave your room, un-

less you decide to extend your stay.

*Our staff will be at your service to show you many* other interesting places to visit on your way back to home, and to supply you with the Farmhouse's products, so you'll bring home a taste of Valbelluna: cold cuts, cheeses, jams, apple juices, syrups, cider and mead... you just have to choose!

Hoping that you enjoyed your stay the Bon Tajer Farmhouse will greet you with a small present, to remember us and your holiday in the Dolomites.
